<hr/>)	

This matter was opened to the New Jersey State Board of Dentistry upon receipt of information that (1) respondent's license to practice dentistry in the State of New York was suspended for a period of two years in April 1993 for submitting dental insurance claim forms for patient B.S. for services not rendered and that the execution of the suspension was stayed while respondent was placed on probation, assessed a civil penalty, and ordered to perform community service (a copy of the Order is attached hereto and incorporated herein by reference); and in a separate investigative report that (2) respondent prescribed certain prescription legend drugs for himself and/or for a family member in the period November 1991 to July 1993 for purposes unrelated to the practice of

dentistry. In order to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS ON THIS 30 DAY OF NOVEMBER, 1994,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall cease and desist from ordering and/or re-ordering as the prescribing doctor prescription medications for conditions unrelated to the practice of dentistry, including those medications which may have been previously properly prescribed and/or recommended by a physician.

2. Respondent is hereby assessed a civil penalty in the amount of \$2,500.00 for prescribing medications beyond the scope of his license to practice dentistry. Payment shall be made by certified check or money order made payable to the State of New Jersey and shall be submitted to Agnes Clarke, Executive Director of the Board of Dentistry, at 124 Halsey Street, Sixth Floor, Newark, New Jersey 07102, no later than the first day of the month following the entry date of this Order.

3. The license of the respondent to practice dentistry in the State of New Jersey shall be and is hereby suspended for a period of two (2) years pursuant to N.J.S.A. 45:1-21(g) in that he had action taken against him constituting suspension or revocation of his license by a sister state for reasons consistent with N.J.S.A. 45:1-21(b). Said suspension shall commence retroactively effective April 28, 1993 and run concurrently with the two years suspension of license entered by the State of New York. Said period of suspension shall be stayed and shall become a period of probation conditioned on compliance with the terms and conditions
